

# Chamber Music in Idaho

## August 11-16

We have the perfect solution for you to indulge in your favorite activity—chamber music!—while you enjoy swimming or canoeing on the lake. You get 4 days of assignments and inspiring coaching, ample breaks, and conviviality around the bonfire.

Winds are invited and all pre-formed groups are encouraged. To allow a lucky pianist or two to attend, we have access to a fine piano just up the road in McCall.

Come enjoy the pristine waters of Payette Lake surrounded by pines and mountains. August 11-16, 2013.

Hot! A 2-day fiddle camp August 16 and 17 for those interested.
