

# Chamber Music in Idaho

## August 11-16

Heaven: Chamber Music with friendly musicians, plus swimming or canoeing at a clear blue lake... You get 4 daily assignments with inspiring coaching, performances, ample breaks, conviviality around the bonfire, and 2 more days of playing informally with others.

Strings are emphasized, winds and pianists are invited, and all pre-formed groups are encouraged.

Come enjoy the pristine waters of Payette Lake surrounded by pines and mountains at Idaho Chamber Music Workshop, August 11-16, 2013.

A 2-day fiddle camp follows for those interested Aug 16-17!
