

Idaho

Chamber Music Workshop 2013

Sunday – Friday, August 11-16

&

Jana Jae's Hell's Canyon Fiddle Fest

Friday – Saturday, August 16 and 17

Enrollment in both is encouraged!

Right on stunning Payette Lake, near
McCall, Idaho

The whole family will love being here on the lake by the mountains, whether they are all participants or not. It will be hard to go home when it's over!

The Chamber Music Workshop affords ample time to rehearse in a pre-formed group or with new friends you are assigned to. You'll get expert coaching Monday-Thursday culminating in a mini performance of what you worked on that day. Friday will be un-coached optional assignments with optional mini performances. The evenings bring relaxing socializing or you may choose to form your own group and keep on playing! Nightly bonfires at the lake's edge.

The Hell's Canyon Fiddle Fest will boost your fiddle playing, no matter your level. Experienced fiddle teachers will give lessons at all levels, and jazz/improv, and show tune flare. Evening dance workshops, sunset socializing, and jam sessions if you feel like playing on. All acoustic players welcome. Some scholarships available.

Transportation:

See driving directions to our locale at beautiful Brundage Inn and the Lake Lodge at <http://www.brundagevacations.com>

Check-in at our Lake Lodge, 305A W. Lake St., McCall, ID 83668.

Car: If you are traveling by car, go to McCall and follow the directions to 305A W. Lake St., McCall.

Air: Boise, Idaho, is the closest major airport. You will fly into Boise and rent a car. Drive north to McCall and follow the directions to 305A W. Lake St., McCall.

Near-by attractions for other family members, or before/after the workshop include

- Hell's Canyon (deepest gorge in North America), with white-water rafting, rainbow trout, wall-eye, sturgeon fishing.
- Hiking, renting mountain bikes
- Brundage Mountain ski resort lift
- Swimming all day in sparkling water
- Birding
- Exploring near-by towns
- Golfing
- McCall, with water-ski rentals

On the way, some folks travel through Glacier National Park, or Yellowstone. Others take a southern route through Utah and its National Parks. The options are endless.
